**888-595-6833** OVER 18 TO CALL

A man and a woman are sitting on a white wicker sofa outdoors. The woman, with long reddish-brown hair, is holding an open book and looking at it. The man, with short dark hair, is sitting next to her, looking at the book. They are both wearing casual clothing. The sofa has light blue cushions with a green floral pattern. The background is a grassy area with some dry leaves.

# delila darling summertime tryst

Delila and Kris were just hanging out in the back yard. They shared a sofa and a book, but it was obvious that their minds were not on reading anything. She started to get really horny and soon after she was sucking that cock, and he was eating that pussy. She got her pussy drilled and got that man juice all over her.

# what it takes to get an A in class

It was late August and the first day of my freshman year at the university and I was a nervous wreck! All of these new people and new teachers, I had no idea where to go! Somehow I managed to get to my first class right after the bell rang. I guess that's not a great first impression to have on a teacher, but it was the only one I could've made. I took a seat by the front seeing as it was the only one left. My Psych 101 teacher was Ms. Reynolds and might I say DAMN!!!! Such an amazing looking woman almost made me cream myself right then and there! For the remaining 50 minutes of the class, I probably should have been paying attention to the quiz she had given us, on our first day, no less, but all I seemed to do was to gaze at her beautiful rack on a nice athletic frame. Sweet, soft skin with deep brown eyes and perfect blonde hair. She wasn't that tall, around five foot six, I'd say.

The rest of the day I managed to get to all my other classes right on time, or should I say right in time seeing as how it was almost always about 30 seconds before each tardy bell rang. I couldn't pay attention to anything anyone was saying, because the entire day I had Ms. Reynolds's nice ass floating around in my

head. Finally the last bell rang and it seemed like every student ran into the quad at the same time. I walked slowly so that when I passed Ms. Reynolds's class I was able to enjoy the view. I found a nice table to sit at and await my prize.

I suppose now would be a good time if any to explain exactly what I look like. Well I have light skin with no marks or blemishes, jet black eyes and shoulder length hair that I keep straightened. I think I have soft full lips, a firm round ass, perky breasts with half-dollar sized nipples. And not that you need to know right now, I like to keep my privates clean-shaven, but I do let it go for weeks at a time if I'm got getting it on with someone. I have always felt a deep admiration of the female form, never really been attracted to guys. I had many girlfriends, but nothing too serious – just having fun.

I sat there and began to doodle in my notebook when suddenly Ms. Reynolds walked over and asked to speak with me. I couldn't understand exactly what she wanted, but I would soon find out. Ms. Reynolds looked me over a good while she began to speak in a sexy voice with a pussy wetting accent. "Marla I pulled your records and found that you had extremely high math scores, so I can't find a reason as to why you failed my pop quiz." I looked down at the ground then back up at her and finally spoke, "I'm sorry Ms. Reynolds, I guess I was just a little distracted. I promise to try harder." Then she asked,

We jumped in and raced to her house. It took about fifteen minutes to get there and during the entire ride she had her hand down my skirt ...

"If you don't mind me asking, what did you find so interesting that you couldn't focus on your quiz?"

"Well Ms. Reynolds if you must know, it was you." I answered. "Me??? Marla are you saying I somehow distracted you?" I blushed then inched a little closer to her and whispered, "Yes Ms. Reynolds that's exactly what I'm saying, but it wasn't just you that distracted me, it was also your voice and perfect body." A sweet smile came over her face and she put her arm around my waist pulling me closer, "If that's the case I suppose you need some after school tutorials and maybe some help on the weekends." Looking at her with big pleading eyes that just screamed take me, I agreed.

I nodded, then quickly got up and headed home after an exciting and confusing first day. During the following days, my eyes watched time tick away slowly, painfully. Tick tick tick was all I heard. Not one word said by any of my instructors seemed to reach my ears, it was like every other sound was blocked out except for the ticking of the clock. My heart pounded with each stolen glance, when finally the release bell rang. I bolted out of my last Friday class and into the faculty's parking garage waiting for Ms. Reynolds. I saw her walking slowly towards me with a tiny bounce in her step like she was excited or something.

Finally she reached where I was waiting and we walked to her car.

We jumped in and raced to her house. It took about fifteen minutes to get there and during the entire ride she had her hand down my skirt gently rubbing my clit through my panties. I was so wet and my pussy was throbbing! We got to her front door and kissed passionately, rubbing our hands up and down each other's bodies. She unlocked the door and opened it in one swift motion we were in. Immediately, she pulled me towards the bedroom and pushed me onto her huge bed. She ripped the shirt from my body, and tore my skirt off, pulling my panties off in less than five seconds.

Ms. Reynolds began to kiss down my neck and chest with her supple

Wanting to reciprocate the affection, I turned her around, bent her over the edge of the bed and lifted her hips into the air a bit.

and gentle lips. She climbed on the bed and straddled my stomach, slid her blouse and bra off and then bent over to kiss me once more. I grabbed her by the hips and switched positions with her and took her jeans off then pulled her sweet smelling thong off her with my teeth. She rolled gently underneath me and reached into her nightstand and pulled out what appeared to be a black strap-on. I looked wide-eyed at it and asked her what it was for.

"I want you to fuck me with this strap-on." she said in a sexy tone. I blushed, "but I don't know how to use it."

She made me stand up at the side of the bed and she sat on the edge. I lifted each leg as she pulled it up my lower body and adjusted the waistband around me. Then she put a little vibrating part inside me and turned it on, I couldn't believe how good it felt. Wanting to reciprocate the affection, I turned her around, bent her over the edge of the bed and lifted her hips into the air a bit. I bent down and licked her shining pussy, flicking my tongue in and out to give her a tease of what was bound to come. I pulled her butt cheeks apart a little and snaked my tongue to her puckered hole. I flicked my tongue a couple times and then a quick rub of my finger and she squirmed and purred,

Then I shoved the fake dick inside of her, slowly sliding it in and out then picking up the pace. I held

her wrists down and pushed it in as far it would go, making her moan loudly. I pulled it out and pushed it in with a fierce lust building in the depths of my pussy, I felt like I was going to cum everywhere, but I held it in so that she may cum first. Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

Seeing her like this turned me on so much that I began cumming with a loud scream of pleasure. I pushed it in one last time while I was orgasming and apparently that sent her over the edge too, because she began to squirt everywhere. I took it out of her and bent down to lick off the remaining juices. She tasted as sweet as strawberries. The yummy taste of her pussy caused me great wetness so I slid the strap-on off of me and layed down. Thankfully she got the picture of what I was aiming for.

She bit her way down my body, teasing my nipples with soft gentle bites and tongue circles. I took a deep breath and focused on how amazing this felt. Lowering herself to where she became level with my glistening clit, she began kissing up my inner thighs, then stopping when she reached my pussy. She parted my legs and admired what she sought. Even from my perspective, I could see my mound glistening in the lamplight. Looking back up at me, Ms. Reynolds smiled and gave my labia a loving little nibble, then took my entire pussy into her

mouth and put her tongue to work.

The warmth of her tongue felt like heaven as she moved it in and out of me gently. I moaned softly from this sweet pleasure; she hummed into my pussy causing little vibrations which made me take deeper breaths. She took her tongue out to pleasure my sensitive little clit and while my clit became hard she slid one finger into me, then two, then three before I moaned at that wonderful feeling. Her fingers picked up the pace and were soon being shoved in and out of my pussy with a quickening motion.

With her tongue flicking my clit and her fingers buried deep inside me, there was no way I could hold on

much longer. I came all over her hand and chin, breathing heavily and shaking. She lapped at my juices like a hungry little kitty craving it's mother's milk.

We both sat up and pulled each other close and hugged, pressing our hot, moist bodies against each other. Backing away, she pushed me gently back onto my elbows, grabbed my ankle and lifted my leg. As she slid her body towards me, she pulled me closer and our soaked pussies met in the scissors position. We grinded against each other's pussies and moaned softly in each other's ears.

We sat up and our breasts began to rub against each other matching the movements of our pussies. We had one final orgasm together and as our juices mixed we kissed gently. Both of us were satisfied and breathing heavy. Later on we fell asleep in each other's arms only to wake up several hours later. We took a quick shower together and got dressed. She drove me home and for the entire ride we sat silently holding hands. We reached the end of my street and as I got out we kissed one last time.

I walked up to my house, unlocked the door, turned to wave goodbye and blew her a kiss. I went to my bedroom. I layed on my bed and looked up at my ceiling then thought to myself as I drifted to sleep what a wonderful first week, wonder what the rest of the semester will hold. All A's in Psych, I hope.

Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

# fit to fuck abella danger

We're so excited to have Abella in our issue this month. We've been following her explosive career for the last few years, and few have impressed us as much as this little vixen. Yes, she has all the prerequisite features for a top star: a ballet background, mile high club experience, and a bubble butt that looks like it's always about to pop. But that's our job - to report on her job.

Jenna's at home today. It's very flattering for someone to think of me as 'fuckable' because I think I am. As a matter of fact, I've turned my fuckability into a business that I can take anywhere I like and with whomever I like. I can't say there are too many ladies out there that can say the same.

BLAIR-NTS-09

I had to work late in the city that night.

I hated that most of the time, but tonight the train was empty. Just me. Good. I had a long way to go, the rock and rattle of the cars was soothing, and I soon fell asleep.

I dreamed about my ex-boyfriend. We had just broken up, I was 19 and not ready to commit, while Brian was mid-twenties and ready for a wife. I told him to come back in a few years, and that was the last I'd seen of him.

But in my dream we were together again—or maybe we hadn't broken up yet—and Brian was slowly unbuttoning my blouse. He pushed it off my shoulders to reveal my bare breasts. He kissed my nipples with a soft, tender touch of his lips, and I moaned. He was really great in bed, especially when it came to my tits. Sometimes I think he liked them more than he liked me, or maybe it just seemed that way. Sometimes he played with my breasts for hours.

I would come time after time while he sucked and licked my nipples until they were stiff peaks. And it's true—my nipples get really, really long when they're sucked for a long time. Sometimes they're still standing up the next day. Now Brian took one nipple in his teeth and worried it a bit, making me tingle all over. He also played with the other one, pressing the nipple down into my tit-flesh, rolling the nubbin between thumb and finger. I could feel my pussy getting wet! I wanted him – I wanted his mouth on my tits, on my pussy...

## **HELPING HAND**

Suddenly, with a jolt, my eyes flew open. I was back in the train, and I was no longer alone. Across the aisle sat a guy, maybe in his mid-twenties. He was dark-haired, with brown-yellow eyes – like a wolf's. He'd been watching me as I slept. And he had a raging hard-on. He smiled when he saw my eyes widen. That was quite some tent his thingie was making! His expression was friendly, and I could see the same longing there that I felt.

I licked my lips. I hadn't had sex since Brian left, and that

dream had left me totally hot. I looked down and saw how big my nipples were; you could see them through my T-shirt. And my pussy...it was just streaming.

What the heck, right? I smiled and crossed the aisle to sit down by him. I didn't say a word, but I slid my hand across to his crotch. He moaned a little.

He reached over and pinched one of my nipples, then he tugged it hard. It felt really good, and he could tell because my nipples stood up even harder than before. He smiled as he slipped a hand under my short skirt. I opened my legs wide to help him out, and he dipped a finger inside my panties. Ummm, his hand was so warm against my shaved mound!

I unzipped him, allowing his thingie to spring free. What an incredibly thick one it was, too! Brian had an average-sized one, and that was just fine, but this guy...wow! I closed my eyes, imagining trying to put my mouth around that thing, or feeling it ramming its way into my pussy.

I spit on my fingers to lube them up, then started stroking his big thingie, rubbing my hand up and down its length. Just about then, his finger found my wet slit and slid right in. Then he stuck a second and a third finger in me, while his thumb pressed down on my clit.

My fingers slipped down to his thing's flared head and played with it. Then I moved lower and squeezed his balls. He groaned, and his breath seemed to catch.

**MY FINGERS SLIPPED DOWN TO HIS THING'S FLARED HEAD AND PLAYED WITH IT. THEN I MOVED LOWER AND SQUEEZED HIS BALLS. HE GROANED, AND HIS BREATH SEEMED TO CATCH.**

His fingers were moving fast in me now, really pumping my pussy. His thumb made little circles on my clit, and I could feel the tingling inside me getting more intense. I started to come, then forced myself to breathe out slowly. That slowed my orgasm down so I could enjoy it longer. I love being fingerfucked!

I pumped my fist up and down on his thingie, which seemed to be getting even thicker now. I jerked him harder, and then pressed my fingernail down into his pee-slit. He moaned and shifted, thrusting his hips higher. Goopy pre-cum was dripping out of the hole, so

I slathered it on my fingers and rubbed his shaft until it was practically humming.

His fingers were really humping me now, and my clit was burning with passion. This time I couldn't stop it – a huge orgasm ripped through me, and I cried out in release. I was so glad no one else was around, be

**HE WAS BREATHING FASTER NOW. I KNEW IT WOULDN'T BE TOO LONG BEFORE HE CAME, AND THAT EXCITED ME. I'D DONE A FEW HAND-JOBS ON BRIAN, BUT HE HAD PREFERRED TO PUT HIS THINGIE IN MY MOUTH OR MY PUSSY.**

cause they would have really heard me when I came. He kept rubbing my clit and fucking my pussy, and I came again. I felt all my juices just streaming out of my pussy and over his hand.

He was breathing faster now. I knew it wouldn't be too long before he came, and that excited me. I'd done a few hand-jobs on Brian, but he had preferred to put his thingie in my mouth or my pussy.

Determined to push him over the edge, I grabbed this guy's rod and squeezed it hard. He gasped, and I felt a tremor in his balls that shot all the way through his shaft. I started stroking him hard then, squeezing the purple head of his thing, pinching it, moving my hand all the way down to his balls, then back up to the blazing tip.

"Aaaaaaaa," he yelled, and then suddenly his thingie bucked against my hand. A thick stream of cum squirted against the seats in front of us. I kept stroking him, milking him for every drop he had. This guy was filled, too! Jet after jet spurted out, splashing against the seat, my hand, everything. It's a good thing his pee-hole hadn't been aimed at me – my clothes would have been drenched!

Finally, limp, we lay back in the seats. Our hands, no longer working on each other's private parts, found other things to do. He licked my juices off his fingers while I sucked his jism off my hand. The train slowed for the next stop; he stuffed that big thing back in his pants, kissed me, then hopped up and out the door without a backward glance.

Now I don't mind riding the late train home – I never quite know who'll be there, as hungry for a little fun as I am!

I'm comfortable with being naked and sexual. But sometimes I forget to close the bedroom curtains and the door. So I've probably given the couple next door a thrill or three. Today, the wife has come by to give me a piece of her mind – or something else!

## I'm all about fun

I love to have fun on my birthday, and I love having sex on my birthday, there's no better way to have fun. I believe there should be a national law requiring everyone over the age of 21 to have sex on their birthdays. That would make for a much happier world to live in, don't ya think?
